

1th INTERNATIONAL SYMPOSIUM ON ROCKFILL DAMS

—Co-sponsors Invitation

For further promoting the technical progress of rockfill dams, and to update the state of the art of rockfill engineering, particularly, to share the experience on design, construction and performance of recent very high CFRD dams, Chinese Committee on Large dams (CHINCOLD) and Brazilian Committee on Large Dams (CBDB) will jointly sponsor the International Symposiums on High Rockfill Dam by turns in China and Brazil. **The 1st INTERNATIONAL SYMPOSIUM ON ROCKFILL DAMS will be held in Chengdu, China on 18-21 October 2009.** It is our honor for CHINCOLD and CBDB to invite you to help co-sponsor the symposium.

Brazil and China, two leading countries in rockfill dams would like to make their efforts to prepare the 1st Symposium with the biggest ambitions, both in contents and in international scope. This Symposium will provide platform for all attendants to discuss and exchange on rockfill dams issues such as design, construction, operation, rehabilitation, maintenance and application.

Chinese market is a huge and promising market in rockfill dam's planning, design, testing, construction, maintenance, rebuilding and so on, this will be a pleasant and memorable way of bringing your organization to the attention of the international participants, and also, which will be good opportunities to access to Chinese market via the technical exhibition.

If you and /or your organization would like to co-sponsor this conference, please kindly complete the form below.

Benefits of being a Co-sponsor (Euro 10,000):

1. Two complimentary conference registrations
2. Table-top Exhibit Space (you can book a unit from 1 to 14 in Area A)
3. Integration of the logo of your organization on the Rockfill Dams 2009 website with an integrated link to our homepage.
4. Print-ad of your organization in the size of width x height = 21 x 29.7cm (A4) in the conference program, which is handed out to all the participants.

Various opportunities will be available to sponsor social activities, such as meetings, lunches, receptions and coffee breaks.

To receive further details of the technical and /or sponsorship opportunities, please complete the form attached and return it to us. We will reserve a stand for you, and keep inform you the latest information about the 1st International Symposium on Rockfill Dams.

Best regards,

Yours

Ms. Yao ZHANG
